Form 990, Part VI, Section B, Inne 15	The United Way Board of Directors reviews the performance of the Chief Executive officer and determines his/her compensation. The Board also approves the salary and benefits range for three different employee classifications including (1) executive, (2) managerial, and (3) individual contributor. Compensation ranges are established following comparisons with similar organizations in the area as well as similar United Ways in Connecticut and across the country. The Finance and Executive committees ensure organizational compliance as part of the budget process and recommend a budget that reflects that compliance. The Board of Directors reviews and approves the full budget. The CEO and senior management establish individual compensation for staff members within the ranges established. This process is documented in the minutes of United Way.
